Skills

- Designed posters, billboards, signs, book and magazine covers, catalog spreads, t-shirts, album covers, maps and assorted similar items both as part of class assignments as well as personal projects.
- Good understanding of basic HTML and CSS Webcoding and a fair understanding of computer coding in general.
- Customer service experience as a cashier, gas station attendant and sales floor associate. This has included phone service in addition to in-person.
- Performed various inventory-related tasks such as stock counting and writing-out damaged or defective goods. This includes regularly scanning items in and out of stock on a daily basis.
